COLOURS

Any colour, so long as it's beautiful. We have a wide range of colours available to you, so whatever kind of home you have, whether it's modern and minimal or brightly coloured and bold - an ESSE will be the perfect companion in your home.

Since the early 1900s, ESSE cookers have been finished in our factory with a lustrous, gloss enamel.

The three-stage coating of coloured glass is applied to the cast iron surface at temperatures between 760°C and 840°C following a thorough preparation process that takes several days.

Available in Standard Colours or upgrade to a Premium Colour.
